

MAKE POSSIBLE

THE CAMPAIGN FOR
CARNEGIE MELLON UNIVERSITY

SCHOLARSHIPS

SUPPORT EDUCATION TODAY *and*
IN THE FUTURE.

One letter opened the door to Carnegie Mellon University for Natalia Santiago. It was the letter she received outlining her scholarship, which gave her the opportunity to pursue a degree in cognitive science.

A CMU education seemed out of financial reach for Natalia, but a scholarship gave her the chance to study the biological and data-driven foundations of psychology while she continued to explore her passion for art.

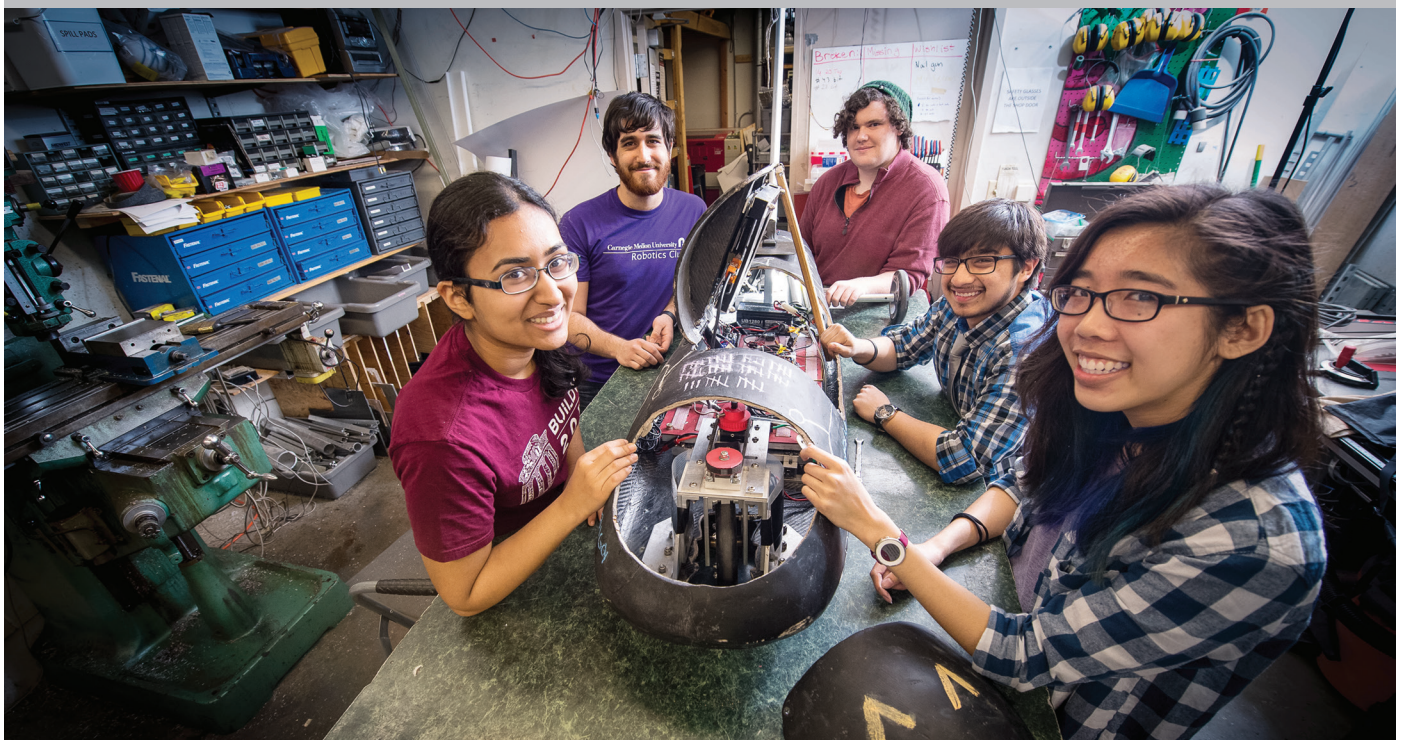

You can transform the future for students like Natalia, giving them the chance to benefit from extraordinary classroom, lab and studio experiences at CMU.

WITH A GIFT TO SCHOLARSHIPS, YOU:

- **Meet urgent needs** with financial aid to support students who couldn't otherwise attend CMU
- **Create a lasting impact** with a scholarship that can grow over time, helping students both today and in the future
- **Build a diverse student body** by making a CMU education financially accessible
- **Support students' aspirations** in disciplines about which you are passionate

When you support scholarships at Carnegie Mellon you create new possibilities for more students to receive an exceptional education.
